**Subject: Confirmation and Appreciation – Speaker Invitation**
**2nd International Summer School on Artificial Intelligence (Franco-Moroccan Research Center, 2026)**

Dear Prof. Kamel SMAILI,

On behalf of the Organizing Committee, we are pleased to formally confirm your participation as an invited speaker at the **2nd International Summer School on Artificial Intelligence** of the Franco-Moroccan Research Center (2026), to be held in **Rabat, Morocco, from July 6 to July 10, 2026**.

We would like to express our sincere appreciation for your acceptance to contribute to this event. Your expertise and scientific contributions are highly valued, and we are confident that your participation will greatly enrich the academic quality and impact of the summer school.

This edition focuses on the theme *"Inclusive and Responsible Artificial Intelligence for Socio-Technical Impact on Global Challenges"*, bringing together researchers, faculty members, and PhD candidates to foster interdisciplinary dialogue and address pressing scientific and societal issues related to responsible AI. Your contribution will play a key role in achieving these objectives.

We are pleased to confirm that your talk entitled From Judge to Mentor: How LLMs Can Guide Small Models to Detect Fake News is scheduled on Wednesday July 8, during the 09:00–10:30, and will be held on-site.

Further practical details regarding the scientific program and logistics will be shared with you in due course.

Once again, we warmly thank you for your commitment and look forward to welcoming you to Rabat.

Yours sincerely,

Co-Chairs of the 2nd International
Summer School on
